## **SUMMER SPREE Cell Phone / Digital Device Policy**

### ***Teen Classes***

Students in Teen classes are permitted to bring cell phones and other internet-connected devices to the arts center. We ask that students refrain from using them to access the internet during class unless it is for reasons specifically related to the class project. We ask that parents/guardians whose child plans to bring a device to the arts center educate the student about safe and appropriate internet use. Sending texts and making calls during class are prohibited. If an emergent situation arises where a student feels a need to make a call or send a text, he or she should ask the teacher for permission.

### ***Magic Mornings/Afternoon Adventures***

We ask that students in Magic Mornings and Afternoon Adventures do not bring cell phones and other internet or cellular connected devices to the arts center. If a student must bring such a device it should be stored in the student's bag at all times. The arts center assumes no responsibility for the safety of devices. Using devices, accessing the internet, sending texts and making calls during class are prohibited.
